Itama 38 Papino

The APREAMARE

Is a very special kind of "gozzo". It is a 30-foot Apreamare boat, based on the traditional local design, but equipped

with two 250hp engines to give speed when it is needed. The fibreglass hull provides superb safety and handling features, and the teak/mahogany decks and finish add an air of classic elegance, giving it the charm of a gozzo but the power of a speedboat. There is plenty of space on deck and a comfortable cabin with foldaway galley below. It carries up tp 6 persons (only emergency wc).

The CORMORANO

Is our 36-foot Fiord powerboat, nominated for the Croatian Yacht of the Year 2011 Award. Its two 300hp Volvo engines deliver plenty of power and Patrick Banfield's uncompromisingly pure design makes it stand out wherever it goes, with the class one expects from Wally, winners of the 2010 World Superyacht Award. It has state-of-the-art navigational and safety equipment, and a cabin, bathroom with shower pamper you below deck. It carries up to 11 people in superb style on any of the above services.

The Papino is our ITAMA 38-foot speedboat

Carrying up to 8 passengers. It provides all of the above services but with an elevated level of comfort and style. Many of our regular clients use it for day trips to Amalfi, Positano, Nerano, Ischia, Procida, Sorrento.

After a fun day sightseeing, you can lie back on its plush cushions and enjoy a complementary bottle of champagne and some fruit. Special transfer services (up to 6 persons) can also be arranged for any time of day or night using the Papino.

The White Dolphin is our FJORD 40foot powerboat

It moves through the water with the strength and grace of its animal namesake, and has the same striking design as the Cormorano. The two 370hp engines purr discreetly yet can carry you across the water at up to 35 knots. Relaxation is the name of the game. A spacious seating area includes a table that can be transformed into a sun deck and the bathing platform will soon have your friends and family enjoying a dip in the sea. The large living guarters include a rainfall shower, and underwater lighting can illuminate elegant evenings. It carries up to 8 people.

The ITAMA 50-foot speedboat

The features of our 50-foot Itama 50 motorboat add up to more than you might expect, which is why it is called the "1+1=3". It is equipped with the latest navigational technology and the two 800hp engines pack plenty of punch to get you where you want to go in safety and at speed. There is plenty of space to take in the sun or to lounge in the shade, and its many exquisite comforts will delight you, like the swimming platform that can be lowered into the water and raised back up. It carries up to 12 people.

Acquamarina 45

The ACQUAMARINA is our luxurious CN 45-foot

Endeavour cruiser, carrying up to 8 passengers. Aboard you will find the highest standards of excellence in every respect. The distinctively designed and exquisitely finished interior provides the ultimate in elegance and refinement, or you can bask on the cushioned sundecks and then cool off with a shower in the mahogany-finished bathroom. The two 480hp Yanmar engines are quiet yet powerful. It is perfect for the same excursions and transfer services (up to 8 persons) as the Papino.

The BAIA 50-foot motorboat

Our 50-foot Baja 50 motorboat is the Svago. It is fitted out to the same excellent standards as the Papino, with bathroom and aallev, and carries up to 12 passengers. You can relax in the cabin or enjoy our complementary refreshments on deck as its two powerful 800hp engines whisk you across the water in splendid comfort.
